White felt 12" x12"

Material Cut List

Fluffy material:

- Use outside of the largest supersized heart template (9") cut 2 of them. Draw on wrong side of the material around the template. This is the body.
- Use the inside of the smallest supersized heart template (5") cut 4. This is the ears and head.

Pink Felt:

- Cut one 3" heart using heart template. (nose)
- Cut one 11" heart using same template (inside of ears)

White Felt:

- Cut one 3.5" circle from the circle template (Tail)
- Cut one 5" heart from heart template (Belly)
- Cut one 1" circle from circle template (eyes)

Black Felt:

- Cut three 3" long skinny strips (whiskers)
- Cut two very small ½ circles (pupil of eyes)

Instructions:

- 1. Cut white 1" eye circle in half now makes 2 eyes.
- 2. Sew on the eyes, teeth, whiskers and nose to the head.

4. Sew head front, onto body front -----→

- Line up and pin together head back to the body back, placement should be the same as the front of the bunny.
- 6. Sew the back head to the back body like you did for the front of bunny.
- 7. Cut in ½ the two fluffy hearts left over and the pink heart. This is the two ears.
- 8. Sew pink inner ear to one fluffy heart. And repeat for other ear.

9. Place good sides of the ear pieces together and sew around the outside with a 3/8" seam. Leaving a gap so you can turn the rear in the right way when finished.

- 10. Turn the ear in the right way. And fluff up seams as best you can.
- 12. Place good sides of both front and back of rabbit together ensuring that the ears are inside the "package"
- 13. Sew a 3/2" seam around it leaving a gap so that you can turn it in the right way.
- 14. Turn Rabbit body in right way. And fluff up seams best you can.
- 15. Stuff with stuffing and hand sew gap closed.
- 16. Take the last white circle and hand sew a basic in-out stitch around the outside of the circle. Pull thread to gather it up to a tail shape.
- 17. Stuff the tail.
- 18. Hand sew the bunny tail to the back of bunny.
- 19. Finished!
