

Stamp Press : Tips

⚙️ How to use the Stamp Press:

- Place stamps onto Removable Stamp Plate, using the Grid as an alignment guide
 - Apply ink to stamps
 - Turn over stamp press
 - Use the grid & rulers to align paper and press down to stamp
- ⚙️ Clear Grid & Rulers make positioning of stamp images easy and exact, especially when layering multiple images.
- ⚙️ Create multiple impressions by re-inking stamps & repeating stamping process.
- ⚙️ Position cardstock underneath stamp press when setting out to help visualise how images will fit onto paper.
- ⚙️ Removable Stamp Plate allows you to create multiple designs or colour combinations.
- ⚙️ Save favourite designs on Removable Stamp Plates for later use.
