

Magnetic Book-mark

You will need:

- Scraps of patterned cardstock that match
- Paper punch
- Chipboard embellishment
- Old Flat sheet magnet from your fridge
- Adhesive

Instructions

1. Cut Two sheet magnets to 1" x 1 ¾ "
2. Cut double sided patterned cardstock to 1 ½ " x 8"
3. Fold that in half
4. Put both magnets together and put adhesive on non magnetic sides
5. Put inside the patterned cardstock strip at the non folded end
6. Punch matching cardstock
7. Adhere punched out shape
8. Stick Chipboard embellishment on top of punched out shape

Done.

To use put 2 pages of your book between the folded book mark. It should stay in place to mark where you are up to in your book.

Happy reading!
