

Fiskars Quilting & Sewing Project

designed by Smitha Katti

Block of the Month # 5

My finished block

Smitha finished block & instructions can be found on Fiskars site under projects – sewing & quilting.

Fiskars products, the thread snips, 45mm rotary cutter & the light weight 8" pink cutting scissors.

Block #5 , another block to help use up the scraps & off cuts from previous blocks.

This block is made up from 16 x 2 1/2" blocks in a 4x4 formation.

This block was very easy to do & once again I added the borders to match the previous blocks. So now there are five block made & seven more to go.
